8. Respondent has cooperated in the investigation of the allegations related to this Agreed Order. ORDER

Based on the above Findings of Fact and Conclusions of Law, the Board ORDERS that:

The retraction shall state that the prior statements were deceptive and explain why. The retraction shall be published in the Galveston Daily News, Houston Bay Area Magazine, and the Daily News Discover Texas City in a size and format comparable to the prior misleading advertising. The retraction publications will be submitted to Director of Compliance for the Board for review and approval prior to and after publication. Respondent will address, but not be limited to, the following advertising deceptions:

   a. NEJM (New England Journal of Medicine), January 2003 excerpt states that, "...showed that EDTA chelation not only reversed renal insufficiency in patients but also saved 95% of the health care costs over the next three (3) years of observation (including cost of treatment!)."

   b. In the newspaper clippings from The Daily News Discover Texas City, 3/25/04, the article states "BioMeridian: Medical tool of the millennium."

2. Within 1 year from the entry of this Order, Respondent shall enroll in and successfully complete a 10 hour course(s) in the area of ethics or advertising approved in writing in advance by the Executive Director of the Board. To obtain approval for the course(s), Respondent shall submit in writing to the Director of Compliance for the Board information on the course(s), to include at least a reasonably detailed description of the course(s) content and faculty, as well as the course(s) location and dates of instruction. Respondent shall deliver documentation of attendance and successful completion of this requirement to the Director of Compliance for the Board on or before the expiration of the time limit set forth for completion of the course(s). These CMEs will be addition to the required CME to maintain licensure.

3. Respondent shall pay an administrative penalty in the amount of $3000 within 180 days of the entry of this Order. The administrative penalty shall be paid in a single payment by cashier's check or money order payable to the Texas State Board of Medical Examiners and shall be submitted to the Director of Compliance for the Board for routing, so as to be remitted to the Comptroller of Texas for deposit in the general revenue fund. Respondent's failure to pay the administrative penalty as ordered shall constitute grounds for further disciplinary action by the
Board, and may result in a referral by the Executive Director of the Board for collection by the Office of the Attorney General.

4. Respondent shall be permitted to supervise and delegate prescriptive authority to a physician assistant, advanced practice nurse, or surgical assistant. Respondent shall be permitted to delegate prescriptive authority to physician assistant and advanced practice nurse.

6. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent’s compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

7. Respondent shall inform the Board in writing of any change of Respondent’s mailing or practice address within ten days of the address change. This information shall be submitted to the Permits Department and the Director of Compliance for the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

8. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, and to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that ten days notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives the 30 day notice requirement provided by §164.003(b)(2) of the Medical Practice Act and agrees to 10 days notice, as provided in 22 Texas Administrative Code §187.44(4).
