

## Company Information

### Lines Of Affiliation (LOAs) Providing Training And Support

LOAs are organizations of Quixtar IBOs who share a similar business building philosophy and employ similar business building techniques. The number of members may range from a few thousand to hundreds of thousands of affiliated IBOs. LOAs provide product training, business training, business structure training, motivation, Independent Business Ownership Plan training, and work to foster personal development

| LOA Name                                   | Location        | Leaders Names                       |
